

Dry Bones

Helmner, Karlsson, Persson

Chorus

So we say these dry bones
dry bones
They will live again
We say these dry bones,
dry bones
They will live again
'Cause The Lord has spoken
'Cause The Lord has said so

And we're
standing on His promises
We stand in His holy breath
Stand in His Holy breath

Bridge 1

Holy wind, come move in every direction
Breath your life on us and love us back to life
Holy wind, come move and stir in us a passion
We wanna go wherever you will go

Post-chorus

Hallelujah, we sing hallelujah x 4
