

Dry Bones

Helmner, Karlsson, Persson

Chorus

We say these dry bones, dry bones
They will live again
We say these dry bones, dry bones
They will live again
'Cause the Lord has spoken
'Cause the Lord has said so
And we're standing on His promises
We stand in His holy breath

Verse

Holy wind, come move in every direction
Breathe Your life on us, and love us back to life
Holy wind, come move and stir in us a passion
We want to go wherever You will go

Post-chorus

Hallelujah, we sing hallelujah (x 4)
