Everything You Do Is Beautiful

Helmner, Lindwall

NNS

Verse 1

```
2m                  5sus4     5
You make all things new again
1         1/7        6m
Out of broken pieces in the sand
2m                           5sus4  5
Put us together and it’s beautiful
          1 1/7 6m
So beautiful
```

Verse 2

```
2m                              5sus4       5
Oh how You straighten out our crooked ways
1         1/7               6m
Your redeeming love will never change
2m                           5sus4  5
Put us together and it’s beautiful
          1 1/7 6m 5
So beautiful
```

Chorus

```
4                           5sus4        5
Rain is pouring from your sovereign hand
6m                       1
Life is growing in the desert land
2m                      5sus4  5
Everything you do is beautiful
          1
So beautiful
```
