

Love Like You Do

My Helmner

Verse 1

You were once
Just like one of us
Human, wounded
And then hen abandoned on a cross
So we could live
And have hope again
Come teach us all Your ways
'Cause we want to live just like You lived

Bridge

Break chains of injustice
End slavery and misery
Bring hope to the hopeless
Yes we wanna be
Declaring all Your peace

Chorus

Come make Your mark
Here upon us
'Cause You're the light in the darkness
And we want to love like You do love like You do
Let us be
A reminder of hope
Reminder of peace
Everywhere we go oh-oh
Let us love like You do love like You do Jesus

Chorus 2

Oooooh
Love like You do, love like You do Jesus (x2)

Verse 3

Now we are here
We're gonna change the history
Bring meaning and purpose
To the ones who are in need
Now we are young
But we know just what we want
So come teach us all Your ways
'Cause we want to live just like You lived
