

# Mystery

Helmner

## Verse 1

Who is allowed to come in  
Who is allowed to come close to you  
Cause I don't think I understand  
The mystery here in front of me  
So tell me the stories again  
Of the man who hung out with the sinners  
And died on a cross so we could live  
What a mystery here in front of me

## Chorus 1

And just to speak His name is praise  
Now and tomorrow and always  
From east to west - from dawn to dusk  
I choose to sing of this mystery - Jesus

## Verse 2

He picks up the poor out of the dirt  
Seats them among all the honored  
Invite me to eat at His home  
What a mystery here in front of me  
But that is the God I proclaim  
He's just He is good He is righteous  
So much stronger than evil and pain  
What a victory here in front of me

## Chorus 2

So I'm singing out Your name in praise  
Now and tomorrow and always  
From east to west - from dawn to dusk  
Wherever I am I will shout - Jesus

## **Ending**

Jesus Jesus

Your glory is now revealed

Jesus Jesus

I was blind but now I see
