

Nothing You Can't Do

Maarit Lindwall, Oskar Lindwall

Verse 1

You're calling us higher
And we're not afraid
You're calling us deeper
Breaking all our chains
You're moving among us
Your spirit is alive
And we're not ashamed
To lift Your name up high

Pre-Chorus

Jesus Jesus...

Chorus 1

In You we're made alive
Throwing all fear aside
Fixing our eyes on You
There's nothing nothing nothing
You can't do (REPEAT)

Verse 2

You're God and You know us
And the flaws we hide
Still you will choose us
And love us back to life
You're moving among us
Your spirit is alive
And we're not ashamed
To lift Your name up high

Bridge

Not death nor life

No future and no past

Can stop your love from moving among us

We follow You no matter what's to come

You're all we want forever our first love
