

God Has Been Good To Me

Sveinung Chercka-Simonsen

Verse 1

Through faith alone in Jesus Christ
Unfailing love restored my life
Relieved of all my sin and shame
It's all because of Jesus' name

Chorus

Oh, what a mystery
The favor of God
Poured out His grace is over me
Oh, countless wonders
Yet one thing I know
That God has been good to me

Verse 2

So I will boast of nothing else
But Jesus who my life has saved
The crown of glory I'll receive
Is stained with Jesus' blood for me

Verse 3

No deed can grant me Heaven's prize
There's only Jesus' sacrifice
My eyes are fixed on things above
My feet are grounded in His love
