

Jesus Let Me See Your Face

Lundbak, Sheppard, Blustin, Brown, Quin

Verse 1

Jesus
I want to know You more
Come walk beside me Lord
Lead me on

Verse 2

Find me
Desperately reaching out
Restless and calling now
For my friend

Chorus

Jesus Jesus let me see Your face
Let Your mercy fall as gentle rain

Verse 3

Teach me the melody in Your voice
When You sing over me
I am Yours

Verse 4

Show me
The colors of grace and truth
And how You make all things new
As we walk

Bridge

I will give You all my love
I will give You all my praise
All my hope is placed in You
My Lord my Lord

Like a child I come to You
Arms stretched wide I run to You
You are all I long for
And adore my Lord

Verse 5

Held close
In the fragrance of Your embrace
I see my saviors face
I am home
