```
   1          4         1              4
Creator’s melody, the greatest love in history
   6-                      4            1    4
Composed, when earth was formed in beauty
   1         4            1            4
Creator’s melody, Your love a stunning symphony
  6-                4            1     1
I’m humbled as You sing it over me
```

**Chorus**

```
   4       5             1/3
You sing Your love over me
   4       5     1/3
Your love over me
        4               5                  6-                   1/3
Like a mighty roar, a feather falling, a breath of life, a lullaby
               4    5    1
You sing your love over me
```

**Verse 2**

The savior’s melody, the strongest love in history
Completed by your sacrifice for me
The savior’s melody, Your love a perfect mystery
You sing me back to life, you set me free

**Bridge**

```
 1             4
You breathe out
    6-           4
And I breathe in
  1             4
Your song of love
   6-        4
It draws me in
```
