

God of Glory

Sveinung Chercka-Simonsen

Verse 1

From the mountains to the seas
Every flower every tree
Every star and galaxy
Will sing Your praise

Verse 2

Everything that you have made
By the power of your name
Will unite one glorious day
To sing your praise

Chorus

God of glory glory
We want to see your glory shining
brighter brighter
We long to see your name be lifted
higher higher
We will sing your praise forevermore
forevermore

Verse 3

All the wonders of this world
Every story we have heard
Can't compare with all Your worth
We sing your praise

Verse 4

All the nations will bow down
Every king will cast his crown
There's no equal to be found
Now sing his praise

All blessing and honor
All wisdom and power to Him who sits
on the throne
All blessing and honor
All wisdom and power to Him
