

Build This House

Mette & Audun Lundbak Strand

Verse 1

We lay down our plans
In humble surrender
We will wait for You
To go on before us

Chorus

If You don't build this house
We will work in vain
If You don't guide our steps
We will lose our way
If You are not our source
We will not have strength
For we are broken vessels
Fallible and frail

Tag

We surrender to Your ways
(Repeat)

Verse 2

We lay down our plans
And ask for your wisdom
We're in need of you
To clear up our vision

Bridge

Your ways are higher than ours
We don't understand
But we can trust your plan
Whatever you lead us through
We'll follow
