

I Am Yours

Sveinung Chercka-Simonsen

Verse 1

I am forever grateful
That you would call me friend
I don't deserve a love that never ends
But you said yes to me
While hanging on a tree
I love you Jesus
I do

Chorus

I love you because you chose to love me first
No wonder I'm drawn in to your saving grace
And when my numbered days are over
I'll finally see you face to face

Verse 2

Through all my days I'll marvel
At your boundless sea of grace
That covers sin it's the promise that you made
When you said yes to me
While hanging on that tree
I love you Jesus
I do

Bridge

There's no greater love than this
Your promise never changes
Your promise never changes
I am yours
Your law is written on my heart
Your promise never changes
Your promise never changes
I am yours
