

I Return to the Cross

Sveinung Chercka-Simonsen

Verse 1

I return to the cross
Where you died for me
Where your blood was shed
So that I'd be free

Verse 2

I return to the cross
To a love so strong
Flowing from the wounds
Of God's only son

Chorus

I stand on holy ground
Marveled by your grace and mercy
You invited me to come
Oh, I came running
Running back home
Running to the cross

Bridge

You made a way for me
Unveiled my eyes to see
Your sacrifice for us
You have removed my shame
I am restored again
At your cross
Here at your cross
