

In Your Presence

Maria Lundbak

Verse 1

In Your presence, in Your presence
I am in awe of You Lord
would You come in Your glory and meet me right here

Verse 2

In Your presence, in Your presence
All of my worries,
my fears and ambitions wither away when You're near

Chorus

And I want to know You more
I want to know You more
I want to know You more
Jesus my King

And I want to love You more
Teach me to trust You more
I want to give my all
Jesus my King

Verse 3

In Your presence, in Your presence
I am compelled by the raw love
displayed by the scars in Your hands and Your feet

Verse 4

In Your presence, in Your presence
All of my heart is in wonder
transformed by the King of humility

Bridge

Hallelujah, King of heaven, You have brought me life
Hallelujah, You are for me, what a sacrifice
