

Your Love Over Me

Maria Lundbak

Verse 1

Creator's melody the greatest love in history
Composed when earth was formed in beauty
Creator's melody Your love a stunning symphony
I'm humbled as You sing it over me

Chorus

You sing Your love over me
Your love over me
Like a mighty roar, a feather falling
A breath of life a lullaby
You sing Your love over me

Verse 2

The savior's melody the strongest love in history
Completed by Your sacrifice for me
The savior's melody Your love a perfect mystery
You sing me back to life You set me free

Bridge

You breathe out
And I breathe in
Your song of love
It draws me in
