

# Faithful

Katrina Hedén

## Verse 1

What has been read and heard  
Promises in the word  
You created humanity  
You're guarding it jealously

## Bridge

When oceans roar and mountains fall;  
You're close to hear my prayer and answer my desperate call  
When fearful, tired and alone;  
Then You are always near, when I'm with You, I'm home!

## Chorus

Faithful, Lord You are so faithful!  
I will trust in You, I rely on You  
Faithful, Lord You are so faithful!  
Wholly in awe, Wholly in awe

## Verse 2

No powers can pry apart  
Separate us from Your heart  
Though struggles You lead us through,  
Say we can trust in You
