

# We Want to Stay in Your Presence

My Helmner & Andreaz Hedén

## Verse

1                    1sus                    1  
Come spirit of life, lead the way  
1                    1sus                    2m    1/3  
Come spirit of truth, we want to hear your voice  
4                    5  
Speaking to us now  
1                    1sus                    1  
Spirit of our lord, embrace us here  
1                    1sus                    2m    1/3  
Spirit of all light, come and make us shine bright  
4                    5sus  
Through all of the dark clouds

## Chorus

5sus                    6m                    2m7  
Wanna let go of all the sorrow and the bitterness we have  
4                    6m                    2m7                    4  
Wanna let go of all the bruises and the stress that's aching loud  
4                    5sus  
Come and release us from the pressure  
5sus                    6m    5  
That tries to bring us down  
4                    5                    1    1sus  
Oh Jesus - we want to come and stay in your presence  
1    1sus  
Stay in your presence

## Bridge

5, 3/6, 1/3, 4

5                    4/6  
Sing with me, come sing with me  
1/3    4    5  
Lift up your voice and worship!  
5                    4/6                    1/3    4                    5  
Sing gloria, gloria, glory to God our everything!
